Solapur, Maharashtra, India

SUMMARY

Passionate Web Developer with strong skills, with hands-on experience. Seeking a web development role to leverage my skills and contribute to innovative projects.

EXPERIENCE & INTERNSHIP

Advit Software Solution

08/2024

Hyderabad

Highly skilled Remote Web Developer with experience in designing, developing, and maintaining web applications. Proficient in HTML, CSS, JavaScript, PHP, and MySQL, with hands-on experience in frameworks like CodeIgniter. Adept at creating responsive, user-friendly, and visually appealing interfaces.

Laurel Technologies

07/2023

Kolhapur

As an intern at Laurel, I took a leading role in the development of the Snewskolhapur website, a dynamic platform designed to showcase local news, articles, editorials, etc. specific to the Kolhapur region.

Vertex Technosys

07/2021

Solapur

As an intern at Vertex Technosys, I actively contributed to the development and enhancement of a dynamic web application comprising three distinct panels. This comprehensive project focused on creating personalized banners for various occasions, including birthdays and wedding events.
