Solapur, Maharashtra, India

SUMMARY

Web Developer with experience in Manual and **solving complex problems**. Eager to leverage technical skills and contribute to impactful projects in a dynamic software development environment.

INTERNSHIP

Laurel Technologies

📅 07/2023 📍 Kolhapur

As an intern at Laurel, I took a leading role in the development of the Snewskolhapur website, a dynamic platform designed to showcase local news, articles, editorials, etc. specific to the Kolhapur region.

Vertex Technosys

📅 07/2021 📍 Solapur

As an intern at Vertex Technosys, I actively contributed to the development and enhancement of a dynamic web application comprising three distinct panels. This comprehensive project focused on creating personalized banners for various occasions, including birthdays and wedding events.

EDUCATION

10th D.R. Shriram English Medium School (60%)

📅 2017 📍 Solapur

12th D.A.V. Velankar College of Commerce (65.23%)

📅 2019 📍 Solapur

BCA Burla College (82.43%)

PAHUS University 📅 2019 - 2022 📍 Solapur

KIT's Institute of Management Education & Research (Pursuing)

Shivaji University 📅 2022 - 2024 📍 Kolhapur

STRENGTHS

Technical Proficiency

Demonstrated expertise in [mention relevant programming languages, frameworks, and technologies], with a strong ability to quickly learn and adapt to new technologies.

Attention to Detail

Identified and fixed critical bugs in software, improving Overall customer satisfaction.

Collaboration

Worked closely with development team to identify and fix issues, resulting reduction in defects.
